**Subject:** Asbestos NESHAP Applicability to demolitions in West, Texas

Charlie – Apple asked me to solicit your input on a letter we have drafted to the Texas Department of State Health Services regarding the applicability of the Asbestos NESHAP to demolitions in West, Texas as a result of the explosion on April 17, 2013.

We are urgently trying to get this clarification to the emergency responders so that they can move forward with getting the community going again.

If I can be of assistance or answer any questions, please contact me at 214 665-7548.
